

## MCC Tuition Waiver Information for In-District Senior Citizens

Senior Citizens (65 and older) who live **in-district** can enroll in **most** Metropolitan Community College classes using a senior tuition waiver, which covers the cost of tuition. **\*\*See exception below.** The waiver **does not cover** lab fees, general fees, books, supplies, special program fees, etc.; they are the responsibility of the senior. Seniors can enroll on a space-available basis after the class has achieved the required minimum enrollment.

Here are the steps for senior citizens who wish to enroll in classes at MCC and use the senior tuition waiver:

1. Apply for admission at [www.mcckc.edu/apply](http://www.mcckc.edu/apply).
2. On or after the designated date (see chart below), enroll for classes online through the Student Center at myMCCKC ([www.mcckc.edu](http://www.mcckc.edu)).
3. Once enrolled in the course(s), select the **Pay by Senior Citizen Tuition Waiver** option on the payment page. Choosing this option will hold the classes for 7 days, allowing time to submit the form to campus.
4. Contact a campus student services/cashier's office prior to the start of the term to submit the waiver request form and pay any additional fees. After the waiver is applied, any remaining fees can be paid online through the Student Center at myMCCKC.

Senior citizens who wish to enroll in a class and use the senior tuition waiver may only enroll *on or after the designated senior enrollment date*, typically the Thursday before the semester begins (see chart below for dates). Enrollment prior to the designated date disqualifies use of the waiver. Seniors who choose **not** to use the waiver are free to enroll anytime enrollment is available, but are expected to meet the same payment requirements as the other students. For late-start classes, seniors may enroll using the waiver only after the class has achieved the minimum required enrollment.

Semester	Designated date to first enroll and use the Senior Tuition Waiver	Semester Begins
Summer 2023	Thursday, June 1	Monday, June 5
Fall 2023	Thursday, August 17	Monday, August 21
Spring 2024	Thursday, January 11	Tuesday, January 16
Summer 2024	Thursday, May 30	Monday, June 3

**\*\*Exception\*\*** The senior tuition waiver does **not** apply to **most** physical education courses, since they require use of a recreation/fitness center and therefore do not have the same capacity guidelines. Examples: Body Building, Physical Fitness, Aerobics, Water Aerobics, Fitness Walking and Individual Wellness. Courses that do not require recreation/fitness center usage do qualify for the senior tuition waiver. Examples: Intro to Exercise Science, Physical Ed and Recreation, Principles of Health, First Aid/CPR, and Topics in Physical Education. Seniors who wish to participate in physical fitness classes/activities are invited to sign up for a reduced-rate senior membership at a campus recreation or fitness center in order to take advantage of all the center offers. For more information about the recreation/fitness centers, visit the center on campus or contact one of these individuals below.

**Attention:** See the **MCC Tuition Waiver Request** form on the next page, which includes a worksheet to complete for planning purposes. When the senior tuition waiver enrollment becomes available, this form will provide the information needed for the senior to enroll in classes online through myMCCKC. Once enrolled, the senior is expected to contact a campus business office within 7 days, *and before the class meets for the first time*, to submit the MCC Tuition Waiver Request and pay any additional fees. Otherwise, the seat in class might not be held.
