Children’s Book-Drive to Support Literacy

In an effort to promote literacy, the West Central Missouri Community Action Agency Head Start Program in Belton will provide MCC-Cass County students an avenue to donate books to those children needing them the most. To participate, students are asked to bring in a new children’s book that will be donated to a child in our community.

The ages of the children that will receive your donated books are from 3 to 5 years of age. This agency has a total of 91 students and 25% are Spanish speakers. Books written in Spanish would be much appreciated!

Tammie May, Director of MCC-Cass County stated, “This opportunity, while small to us, can open up a whole new world for a child who does not have the resources or knowledge and power that we get from reading. Additionally, providing the parents of these children an opportunity to read to the child creates a lasting memory in their lives.”

A book drop will be provided for those that want to participate during the dates of November 26 - December 6.

Your participation will provide a chance for a child to have their very own book that they can take home to enjoy for years to come.

From the Director’s Chair

Fall is here, and it’s hard to believe, but midterm is upon us! Classes have been going well this semester at MCC Cass County, and we are already gearing up for enrollment to start for the Spring 2013 semester. Students and instructors both, I want to thank you for your enthusiasm and support of MCC’s new Belton location, and the college’s initiative to bring classes into Cass County. This is an exciting time for MCC and higher education, and we are pleased to have Cass County on board.

As we move into the second half of the semester, I want to wish you success with your classes, and please let Terri and I know if there is anything we can do to assist you at MCC-Cass County.
