Please join us after the show for cookies & lemonade!

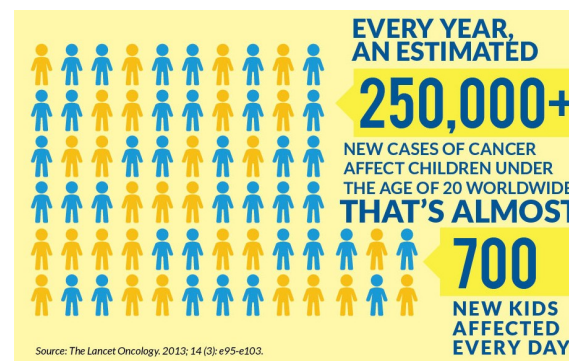

Alex's Lemonade Stand Foundation (ALSF) is a national childhood cancer foundation dedicated to raising funds for research into new treatments and cures for all children battling cancer.

When Alex, who was diagnosed with childhood cancer just before her first birthday, was four, she told her parents she wanted to set up a front-yard lemonade stand. Her plan: to give the money to doctors to help them find a cure. Her first "Alex's Lemonade Stand", held with the help of her older brother Patrick, raised an astonishing \$2,000 in one day.

While bravely fighting her own cancer, Alex continued to set up lemonade stands every year. As news spread of the remarkable girl so dedicated to helping other sick children, people everywhere were inspired to start their own lemonade stands—donating the proceeds to her cause.

In 2004 when Alex passed away at the age of eight—her stand and inspiration had raised more than \$1 million towards finding a cure for the disease that took her life. Alex's Lemonade Stand Foundation was started by her parents in 2005 to continue the work that Alex began. **Our mission is simple: to raise money for, and awareness of childhood cancer causes, especially research into new treatments and cures, and to encourage and empower others, especially children, to get involved and make a difference for children with cancer.**

Alex's Lemonade Stand Foundation is the living embodiment of Alex's spirit of determination and hope. Like Alex, we believe that every person can make a difference. Together, we can bring about a cure. Please join us in "making lemons into lemonade" today!

All ticket money & donations from this performance are going directly to ALSF. Cash, check & credit/debit card are accepted. If you would like to use a credit or debit card this evening, please fill out the card donation slip and place it in the donations during the collection. These will be securely processed and a tax receipt will be mailed to you. Checks can be made payable to ALSF.
