

Tuesday, December 12, 2017 through Monday, December 18, 2017

1. District Regulation 6.1560 EXAMINATIONS states: A final examination or a final means of assessment will be given in each course. Final examinations or a final means of assessment will be scheduled by the dean responsible for instructional services unless special arrangements are made with that dean. If a student fails to complete a scheduled final examination or assessment and provides a satisfactory explanation, the instructor may arrange for a make-up examination. If a student fails to complete a scheduled final examination or assessment and provides no satisfactory explanation, the instructor may award a course grade of F or I.
Revised March 14, 2006

2. Last Day of Instruction:

Day Classes	Monday, December 11, 2017
Evening Classes	Monday, December 11, 2017
Saturday Classes	Saturday, December 9, 2017

3. Saturday classes will be examined at the regular meeting hours on Saturday, December 16, 2017. Two (2) hours are allowed for the final exam.
4. Examinations for classes with laboratories are scheduled by lecture hours. Two (2) hours are allowed for the final exam.
5. Please remember that students who have previously indicated physical or learning disabilities which require extended testing time must be allowed that same extension for finals. Specific questions on appropriate length of testing time may be addressed to the Special Needs Counselor.
6. Students who have a conflict in examination times or have 3 or more exams scheduled on the same day may arrange to reschedule one of the exams with the permission of the instructor.
7. HOW TO READ THE FINAL EXAM SCHEDULE:
Column #1 gives times (If class begins between) - Locate your class beginning time, then move across the appropriate examination column and note the time of your examination. For example, if you have a class which begins between 9:00A-9:55A - T R, you would locate that time in **column #1 -- 9:00 to 9:55, then column #2 -T, TR**, following that line across, you would then note that your exam is scheduled for **9:00 a.m.-11:00 a.m. on Tuesday, December 12, 2017.**
