The Phi Theta Kappa International Honor Society.

Dear Outstanding Member of our Community:

On behalf of the Phi Theta Kappa chapter at MCC-Penn Valley Community College, we invite you to participate in this year's community service project, as we support the Keep America Beautiful campaign through fundraising efforts.

Phi Theta Kappa is the international honors society for two-year college students. Phi Theta Kappa's mission is to recognize and encourage continuing academic excellence, fellowship, service to the community and college and leadership among students. Keep America Beautiful is the nation's largest volunteer-based community action organization dedicated to litter and graffiti prevention, beautification, waste minimization and community improvement.

Toward our service goal, we are composing a quilt depicting a lively environmental scene. We are taking donations from businesses and individuals, whose names we will place on various elements of the quilt. We are happy to use your corporate logo in lieu of a signature on any of the following elements:

- \$ 1..... Leaf
- \$ 5..... Ladybug
- \$ 10..... Butterfly
- \$ 20..... Flower
- \$ 50..... Bird
- \$100..... Large animal, position on tree trunk, sun, rainbow or cloud

By donating or signing the quilt, you or your company agree to do your part in keeping America beautiful for the next year.

As celebration of Earth Day 2007, you will be invited to the unveiling event of the completed quilt, which will then be sold with the proceeds benefiting the Keep America Beautiful campaign.

We thank you for your consideration and participation. If you have any questions, please don't hesitate to contact Jeanette Powers at yellowleaf@sbcglobal.net or Alician Clary at Tclary1687@aol.com. You may also visit our website for more information.

Sincerely,

The officers of your local Phi Theta Kappa chapter.
