2 + 1 Transfer Plan

A BACHELOR’S DEGREE FROM ZERO TO COMPLETED IN 3 YEARS.

How it works

→ Upon completing one of MCC’s 10 approved associate’s degrees, students transfer to MNU’s Applied Organizational Leadership bachelor’s degree completion program.

→ Through a combination of on-site courses and assessment of prior learning, students complete a bachelor’s degree in as little as one year. Classes meet one night a week from 6 – 10 p.m.

→ Personal advisors assist students with an individualized plan to meet graduation requirements. Up to 30 semester hours may be earned through the assessment of prior learning. MNU also offers additional evening and weekend and online courses to supplement students’ programs.

BA in Applied Organizational Leadership

MNU’s uniquely relevant Applied Organizational Leadership program (formerly, MHR) lets students complete a degree while learning organizational best practices. Innovative leadership courses teach more than just concepts—students apply what is learned in class at work the very next day. The program is available in two metro locations—Olathe and Liberty.
