MEMORANDUM OF AGREEMENT
BETWEEN
MIDAMERICA NAZARENE UNIVERSITY
AND
METROPOLITAN COMMUNITY COLLEGE

This Agreement is between MidAmerica Nazarene University, a moderately selective, private, four-year institution of higher education located in Olathe, Kansas (hereafter "MNU") and Metropolitan Community College, an open-enrollment, public two-year institution of higher education located in Kansas City, Missouri (hereafter "METROPOLITAN") for the purposes set forth below.

PREAMBLE

WHEREAS MNU is recognized as an institution that provides a quality education with high rates of student retention and success and high levels of student satisfaction; and

WHEREAS MNU wishes to extend the geographical reach of these course offerings into the Kansas City region thereby establishing itself as the four-year institution of choice for students seeking baccalaureate degrees from the area; and

WHEREAS METROPOLITAN offers a variety of academic programs, including an arts and sciences program to help prepare its students for successful transfer to four-year colleges of universities; and

WHEREAS METROPOLITAN wishes to further strengthen its college transfer and other programs by closer collaboration with MNU; and

WHEREAS both MNU and METROPOLITAN believe that expanding and strengthening their relationships is in their mutual interests, including but not limited to enrollment increases for both;

NOW THEREFORE MNU AND METROPOLITAN agree as follows:

1. Reverse Transfer Agreement:
   a. Students at MNU may transfer credits for course work earned at MNU to METROPOLITAN for the purpose of completing some requirements for an associate’s degree.

   b. A METROPOLITAN student must have completed a minimum of 42 credit hours at 100 level or above at METROPOLITAN to qualify for the reverse transfer agreement.

   c. For those students who have met the above requirements, METROPOLITAN would treat hours submitted for reverse transfer as if they were hours earned at METROPOLITAN.
d. Such ‘reverse transfer’ authority is intended to allow METROPOLITAN students who may transfer to MNU prior to achieving their associates degree the advantage of completing such a degree pending their further efforts toward obtaining a baccalaureate degree.

e. Such ‘reverse transfer’ authority is also intended to allow students who may, for various reasons, leave MNU prior to completing their baccalaureate degree or are interested in completing the associates degree while attending MNU the opportunity to apply the credits they have earned up to that point toward achieving an associate’s degree at METROPOLITAN.

f. Students who qualify for the joint admission agreement will be encouraged to complete an associate’s degree and explore opportunities for reverse transfer.

g. METROPOLITAN will encourage students to send a transcript for the purpose of completing requirements for an associate’s degree, at which time MNU will provide an official transcript to METROPOLITAN at no cost to METROPOLITAN or to the student.

2. Joint Admission Agreement:
   a. Subject to conditions hereafter stated, students at METROPOLITAN and MNU may participate in a “joint admission program” by which they may transfer from one institution to the other, alternate enrollment between the two institutions or co-enroll in both institutions at their discretion.

   b. Students applying to METROPOLITAN and simultaneously meeting MNU’S admission requirements, including the high school diploma or GED, may apply for and be accepted into the joint admission program online. Students may freely transfer courses covered by articulation agreements between both institutions.

   c. If a student does not meet MNU’S entrance requirements at the time her or she enters METROPOLITAN, that student is not eligible for joint admission. However, the student may become eligible for joint admission at a future date by meeting the requirements for “transfer student admission” to MNU.

   d. After acceptance under joint admission, the participants must continually meet all admission requirements for both institutions to retain their eligibility to participate in the program. Students losing eligibility to participate in the joint admission program may nevertheless continue at their respective institutions at the discretion of that institution.

   e. Students who co-enroll will be expected to be knowledgeable of the policies and rules for students at both institutions and to agree to comply with those rules. Students appealing academic or disciplinary issues will be directed to the institution under whose jurisdiction the matter falls and will follow the established procedures of that institution.
f. METROPOLITAN students also admitted to MNU under the joint admission program will receive the following benefits from MNU:
   - A MNU picture ID/bank card to use at the library and dining facilities to charge to an MNU account;
   - Student access to MNU sporting events, concerts, speakers and other cultural events;
   - Access to the MNU library and athletic facilities.

g. Students will be encouraged and advised to complete the associate’s degree to minimize the loss of transfer hours.

h. METROPOLITAN student’s desiring to take classes at MNU should formally transfer classes via official transcript at the earliest possible time.

i. Students earning transfer credit through a third-party institution must provide an official transcript to both METROPOLITAN and MNU in order for the credit to be applied to their degree.

j. For financial aid purposes, as long as a student stays enrolled in the joint admission program, METROPOLITAN will be the Home Institution until completion of the associate’s degree. MNU will become the Home Institution after the student has completed his or her associate’s degree or at such time the student formally transfers to MNU when all regular transfer policies would apply.

k. Students may receive institutional scholarships from the Home Institution. In order to receive institutional scholarships, students must meet scholarship requirements at the Home Institution. Students will be required to designate their home school for federal and state aid purposes. Under no circumstances will a student receive state and/or federal aid from both institutions in a given term.

3. Joint Responsibilities:
   a. Each institution will exchange information within legal guidelines about specific students with the goal of making students aware of scholarships, financial aid, and the potential to satisfy degree requirements by transferring coursework between both institutions.

   b. Each institution will grant students access to library facilities and athletic facilities in accordance with the student access policies of each institution.

   c. Except as otherwise provided herein, each institution will be responsible for its own costs related to the performance of the obligations undertaken to fulfill this Agreement.

   d. Separate academic records for students will be maintained by each institution, but information from those records, to the extent permitted by law, will be exchanged to facilitate performance of the terms of this Agreement.
e. Each institution will honor the catalog in force at the time of the student’s initial enrollment provided the student remains continuously enrolled at either institution or this joint admissions agreement remains in effect. The Home Institution’s catalog policy will apply if the student decided to stop his or her enrollment and later re-enters the joint admissions program.

4. Institutional Responsibilities:
   a. METROPOLITAN shall make student level information available to MNU to facilitate admitting students to the joint admission program. The will be in the form of an electronic file that will be shared on a semester basis.
   
   b. MNU shall provide periodic academic advising to students at METROPOLITAN prior to their actual date of transfer to MNU.

5. General Provisions:

   b. Either Party may terminate this Agreement by giving the other Party written notice one year in advance of the anticipated termination. Any termination under this provision shall be without penalty and neither Party shall be liable to the other for any monetary or other losses that may result. In the even the Agreement it terminated, the Parties will make every effort to not disadvantage individual students who are already participating in the benefits accruing to them as a result of this Agreement.
   
   c. The Vice President for Academic Affairs at MNU and the Vice Chancellor of Academic Affairs and IT at METROPOLITAN will appoint a committee each year to review this Agreement and determine the desirability of terminating or expanding it. Administrative, faculty, and student input are encouraged. Input from transfer students is particularly encouraged.
   
   d. All marketing and promotional material and any other material used in the program shall be jointly approved in writing by each institution. Each institution may charge its relevant tuition and fees for the courses it offers under this program and may retain the revenues it generates from those course offerings.
