PHYS 221 | Engineering Physics II
GEOL 102 | Historical Geology
CHEM 112 | General College Chemistry II
CHEM 221 | Organic Chemistry I

**Total A.A.T. Degree Requirements** | 62

Important Notes: All courses must be at least 100 level or higher. Courses can only be used once to meet degree requirements. Students must complete a Writing Intensive course AND either a Human Diversity course or Learning Community as part of the degree Requirements. Students must achieve a minimum GPA of 2.5. Students must achieve minimum scores of 235 on each section of the C-BASE. MCC recognizes that four-year institutions may have additional requirements including higher GPA, higher C-BASE scores, or additional courses that could be taken at the community college level. Students are encouraged to work closely with an advisor from the receiving institution so that they may understand and prepare to meet all entrance requirements.

Approved 1/2010
