

2017 ANNUAL SECURITY REPORT

Introduction

This report is provided in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, as amended. It provides students and employees of Metropolitan Community College (“College”) with information on: the College’s security arrangements, policies and procedures; programs that provide education on such things as drug and alcohol abuse, awareness of various kinds of sex offenses, and the prevention of crime generally; and procedures the College will take to notify the campus community in the event of an emergency. Its purpose is to provide students and employees with information that will help them make informed decisions relating to their own safety and the safety of others.

Policy for Preparing the Annual Report

This report is prepared by the MCC Legal Department and MCC Police Department in cooperation with local law enforcement authorities and includes information provided by them as well as by the College’s campus security authorities and various other elements of the College. Each year an e-mail notification is made to all enrolled students and employees that provides the website link to access this report. Prospective students and employees are also notified of the report's availability. Hard copies of the report may also be obtained at no cost by contacting MCC Police Department, 3217 Broadway, Suite 130, Kansas City, MO, 64111.

The College is committed to taking the actions necessary to provide a safe and secure working/learning environment for all students and staff. As a member of the campus community, you can feel safe and comfortable knowing that security procedures are in place that represent best practices in the field, and are constantly tested and re-evaluated for their effectiveness.

General Safety and Security Policies

Policies Concerning the Law Enforcement Authority of Campus Security Personnel

The Metropolitan Community College Police Department is responsible for campus safety at the College. Its personnel have arrest authority.

Campus Police Department Officers are sworn law enforcement officers who are professionally trained and licensed by the Missouri Department of Public Safety’s Peace Officers Standards and Training (POST) Program. They possess the same authority as any police officer within the state of Missouri and have the right to arrest any person for violation of state law or applicable county or city ordinances when such violations occur on or adjacent to any MCC District property which comprises the jurisdiction of the MCC Police Department.

The College has a close working relationship with local law enforcement agencies, including the Lee's Summit Missouri Police Department (See below), the Kansas City Missouri Police Department (See below), the Independence Missouri Police Department (See below), and the Missouri Highway Patrol

(MCC has mutual aid agreements in place with local law enforcement agencies related to calls for police service, crime investigation, and information exchange.).

All crimes occurring on campus, on non-campus property owned by the College or on nearby public property should be reported immediately to the MCC Police Department. The number to contact is (816) 604-1200.

You may contact the MCC-Police Dispatch twenty-four (24) hours a day, seven (7) days a week at (816) 604-1200.

Crimes, including sex offenses as well as domestic violence, dating violence, sexual assault or stalking, which occur on any MCC campus, public property within or immediately adjacent to and accessible from any MCC campus or on any non-campus property of MCC should be reported to your Campus Police Department as soon as possible. The term “campus” as used in this report means any MCC building or facility located on MCC property. Alternatively, a crime can be reported to the appropriate local law enforcement agencies.

In an emergency, it is also appropriate to contact local law enforcement by calling 911. If calling from a cell phone, it is important to also give the location of the emergency.

Local Law Enforcement Agencies – For Emergencies call 911

For non-emergencies contact:

Independence Missouri Police Department (816) 325-7300, from 6:30am–1:30am

Kansas City Missouri Police Department (816) 234-5111

Lee’s Summit Missouri Police Department (816) 969-1700, After Hours (816) 969-7390

Other Officials to Whom Crimes May Be Reported

The College also has designated other officials to serve as campus security authorities. Reports of criminal activity can be made to these officials. They in turn will ensure that the crimes are reported for collection as part of the College’s annual report of crime statistics. The additional campus security authorities to whom the College would prefer that crimes be reported are as follows:

Policies on Reporting a Crime or Emergency

The College encourages accurate and prompt reporting of all criminal actions, accidents, injuries, or other emergencies occurring on campus, on other property owned by the College, or on nearby public property to the appropriate administrator and appropriate police agencies. Such a report is encouraged even when the victim of a crime elects not to make a report or is unable to do so. Such reports should be made as follows:

- Situations that pose imminent danger or while a crime is in progress should be reported to local law enforcement by calling 911 from any campus phone or cell phone. Keep in mind that the individual making the call from a cell phone will need to provide the address where the emergency has occurred.
- Students, staff, and visitors should report criminal actions, accidents, injuries, or other emergency incidents to one of the campus security authorities identified above. Once reported, the individual making the report will be encouraged to also report it to appropriate police agencies. If requested, a member of College staff will assist a student in making the report to the police.
- Anonymous incident reports can also be made.
- Reporting all crimes and public safety related incidents promptly to the Campus Police Department or appropriate law enforcement agencies is very important to MCC students, visitors, and employees.
- Reporting also helps the Campus Police Department and local police authorities apprehend those responsible. It helps MCC determine if a referral for disciplinary action is required. It assists the Campus Police Department in the maintenance, and annual publication, of accurate crime incident records with respect to the campuses. This information helps keep the campuses safer by providing the most accurate information on criminal activity to members of the MCC community. Finally, the information reported may be crucial for timely emergency procedures such as the evacuation of buildings (emergency procedures are posted at www.MCCKC.edu/alert and evacuation maps are posted throughout campus buildings).

The College does not have any officially recognized student organizations with off campus locations and therefore does not monitor or record criminal conduct occurring at such locations.

Confidential Reporting

The College will protect the confidentiality of victims. Only those with a need to know the identity for purposes of investigating the crime, assisting the victim or disciplining the perpetrator will know the victim's identity.

Any victim of a crime who does not want to pursue action within the College disciplinary system or the criminal justice system is nevertheless encouraged to make a confidential report to a campus security authority. With the victim's permission, a report of the details of the incident can be filed without revealing the victim's identity. Such a confidential report complies with the victim's wishes, but still helps the College take appropriate steps to ensure the future safety of the victim and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine where a pattern of crime may be developing and alert the community as to any potential danger. These confidential reports are counted and disclosed in the annual crime statistics for the College.

The College does not employ any pastoral or professional counselors and thus does not have any procedures for these positions to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

Timely Warning

In the event of criminal activity occurring either on campus or off campus that in the judgment of the Chancellor or Chief of Police, or their designee, constitutes a serious or continuing threat to members of the campus community, a campus-wide "timely warning" will be issued. Examples would be a rash of motor vehicle thefts or sexual assaults in the area that merit a warning because they present a continuing threat to the campus community.

This warning will be communicated to students and employees via the following method(s):

Method	Sign-Up Instructions
Public Address System	No sign up required
Flyers	No sign up required
Twitter	No sign up required
MCC's Facebook Pages (campus, location, or departmental)	No sign up required
Posts to the MCC website in multiple areas (MCC Newsroom, MCC Students Online, MCC Insider, Blackboard, and MyMCCCKC Portal)	No sign up required
Voicemail	No sign up required

Computer Messages	No sign up required

Non-registered employees and students are encouraged to sign up for this service, sign up information is located at https://www.getrave.com/login/mcckc

Updates to the warnings will be provided as appropriate.

Anyone with information warranting a timely warning should immediately report the circumstances to:

- MCC Police Department at (816) 604-1200

The College has communicated with local law enforcement asking them to notify the College if it receives reports or information warranting a timely warning.

Security of and Access to Campus Facilities

One of the most important methods to control crime is to control building access. For that reason, access to campus buildings is limited to certain hours and all facilities are monitored. In the event students, faculty, or staff need access to a campus building after normal hours, they should contact the Campus Police Department for assistance.

MCC campus building hours are as follows:

MCC-Blue River	7:00 a.m. to 9:30 p.m., Monday through Thursday; 7:00 a.m. to 4:30 p.m. on Friday; and 8:00 a.m. to 1:00 p.m. Saturday
MCC-Business & Technology	7:00 a.m. to 10:00 p.m., Monday through Thursday; and 7:00 a.m. to 6:30 p.m. on Friday
MCC-Longview	7:00 a.m. to 10:00 p.m., Monday through Thursday; 7:00 a.m. to 6:00 p.m. on Friday; and 7:30 a.m. to 3:00 p.m. on Saturday
MCC-Maple Woods	7:00 a.m. to 10:00 p.m., Monday through Thursday; and 7:00 a.m. to 5:00 p.m. on Friday and Saturday
MCC-Penn Valley	6:30 a.m. to 10:30 p.m., Monday through Friday; and 6:30 a.m. to 5:00 p.m. on Saturday

Students and employees are asked to be alert and to not circumvent practices and procedures that are meant to preserve their safety and that of others:

- Do not prop doors open or allow strangers into campus buildings that have been secured

- Do not lend keys or access cards to non-students and do not leave them unattended
- Do not give access codes to anyone who does not belong to the campus community

Keys to the offices, laboratories, and classrooms on campus will be issued to employees only as needed and after receiving the proper authorization.

Employees must adhere to policies regarding unauthorized access to school facilities, theft of, or damage to, school property, or other criminal activity. In particular, rendering inoperable or abusing any fire prevention or detection equipment is prohibited. Violation of these policies may lead to disciplinary action, up to and including termination and the filing of charges with law enforcement authorities.

Employee and student identification cards may be used to verify the identity of persons suspected to be in campus facilities without permission.

Security Considerations in the Maintenance of Facilities

Security also is a consideration in maintaining campus facilities.

MCC is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Campus Police Department officers conduct routine checks of lighting on campus during regular patrol duties. If lights are not functioning, they will initiate an immediate work request. The MCC community is encouraged to report any deficiency in lighting to the Campus Police Department at (816) 604-1200. Any concerns about physical security, particularly any locking mechanism deficiency, should be reported to the Campus Police Department immediately. The Campus Police and Facility Service Departments are available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions may include unsafe steps or handrails, unsafe roadways on campus, and unsecured equipment.

Educational Programs Related to Security Awareness and Prevention of Criminal Activity

The College seeks to enhance the security of its campus and the members of the campus community by periodically presenting educational programs to inform students and employees about campus security procedures and practices, to encourage students and employees to be responsible for their own security and the security of others and to inform them about the prevention of crimes. A description of those programs and their frequency of presentation follows:

Crime Prevention & Awareness - Presented each semester to increase awareness of personal safety practices on campus and in the community, foster engagement/interaction between students with the MCC police and counselors, and encourage students to think about/implement behavioral change to promote their future personal safety.

Student Orientation - Each semester student orientation includes information on emergency procedures at MCC including: locations of storm shelters and campus call boxes, and how to sign up for text alerts.

New Employee Orientation - Each month that an orientation session occurs new employees are provided with information from the MCC police department related to emergency procedures at MCC including what to do in the event of: fire, smoke or explosion; weather emergency/tornado; active shooter/violent intruder; lockdown; medical emergencies; utility emergencies; bomb threats; and hazardous material spills.

Bystander Intervention - Annual campus events that focus on understanding the purpose and use of the training as being part of the MCC campus community. Learning how to recognize situations of potential harm and how to overcome barriers of intervening. Identifying safe and effective intervention options.

Domestic Violence and Assault Awareness - Annual campus events presented to increase awareness of domestic violence as an issue. Receive information on statistics on intimate partner violence and how to identify the types or forms of abuse a domestic violence victim may experience. Gain a better understanding of "why" a victim chooses to stay or leave. Learn about the availability of local resources.

Another type of program is designed to inform students and employees about the prevention of crimes. A description of these follows:

Active Shooter Response - Presented periodically in addition to an online video (MCC Active Shooter Scenario). The program/video focuses on what to do in the event of an active shooter on site including exiting area or sheltering in place.

Special Safety Related Workshops - Presented periodically to include various topics such as self defense tactics.

Safety Tips

Following these tips can help prevent you from becoming a victim of a crime.

- Stay in well-lit areas. Plan your route and use public sidewalks or walk midway between curbs and buildings away from alleys, entries and bushes. Avoid shortcuts through parks, vacant lots and other deserted places.
- When possible, walk in groups – there is safety in numbers.
- Scan the area as you approach or leave buildings or parking lots.
- Consider carrying a personal safety alarm device.
- When approaching your vehicle, scan the immediate area.
- Have your keys in hand and scan the inside of your car before entering.
- Always lock your car doors upon entering or leaving your vehicle.
- Never leave your windows down (even a crack) in your parked car.
- Never leave your keys in an unattended car.
- Always keep your keys in your possession.
- Report missing keys immediately.
- Do not hide a key on or in your car.
- Never attach a tag with your name and address to a key ring.
- If you carry a handbag, keep it close to your body. If your bag is snatched, don't fight.
- Make sure valuables are out of sight or locked in the trunk.
- Don't leave vital information in your car - it provides personal information to a criminal.
- Report anyone who behaves suspiciously to the Campus Police Department.

- Advise the Campus Police or physical plant personnel of any hazards or security concerns.
- Follow your instincts – if your intuition tells you there is a risk, act accordingly.
- If you believe you are being followed, cross the street, change direction or vary your pace. This might discourage the follower.
- As a rule, do not stop to give direction or other information to strangers.
- If you feel uncomfortable in an elevator, leave at the first chance you have. Don't feel embarrassed or guilty for protecting yourself.
- While in class or office, keep personal belongings in view. Keep your purse either with you or in a locked location.
- Do not remove rings to wash your hands – they can be forgotten and/or stolen.
- Carry only necessary credit cards and money.
- To access the 9-1-1 emergency number from a campus non-pay phone dial 8-911.

Disclosure of the Outcome of a Crime of Violence or Non-Forcible Sex Offense

Upon written request, the College will disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of the paragraph.

The previous paragraph does not apply to victims of dating violence, domestic violence, sexual assault, or stalking because under the Violence Against Women Act both the accused and accuser in these cases are given the results without the need to make a written request.

Drug and Alcohol Policy

We are committed to creating and maintaining an environment that is free of alcohol abuse. **The College enforces the state's underage drinking laws** and complies with state law and other applicable regulations governing alcoholic beverages for those on the College's premises or participating in its activities. The College strongly supports education and treatment programs as the most effective means to help prevent and reduce alcohol abuse. In addition, the College is committed to providing an academic and social environment that supports individual freedom while promoting individual responsibility, health and safety, and community welfare. To that end:

1. The College expects that those who wish to include alcohol as part of their activities will do so responsibly and lawfully.
2. Persons planning events on campus should be mindful of the complexities introduced into planning an event with alcohol. Event management issues (the presentation of entertainment, provision of refreshments, management of the participants or audience, security, and other factors) require serious attention for any event, and all the more for an event at which alcohol is served. Event organizers must fully understand the College alcohol policy and applicable laws and manage their events accordingly.

3. Organizations may not plan events that promote or encourage the consumption of alcohol, nor may event planning be based upon the assumption of abusive or illegal alcohol consumption. Persons planning events should remember that the vast majority of events at the institution take place without alcohol, that most members of the undergraduate community are not of legal drinking age, and that among those who are, many do not drink alcoholic beverages at all.

In accordance with MCC board policy to provide a safe, secure, healthful, drug free work, campus, and community environment, employees are expected and required to report to work and participate in district activities, and students are expected and required to attend classes and participate in district activities, in appropriate mental and physical condition. Further, students and employees are expected to abide by MCC regulations related to the misuse of alcohol and other drugs and the unlawful possession, use, or distribution of illicit drugs and alcohol.

The appropriate vice chancellor or designee will be responsible for notifying all students and employees of policies and regulations related to providing a drug free workplace, campus, and community.

The College enforces federal and state drug laws. The possession, sale, manufacture or distribution of illegal drugs is prohibited under both state and federal laws. Such laws will be enforced by the College's law enforcement authority on campus (MCC Police Department). Violators of the College's policies or federal and state laws regarding illegal drugs will be subject to disciplinary action and possibly criminal prosecution.

Drug and Alcohol Abuse Prevention Program

The College has a drug abuse and prevention program and conducts a biennial review of this program to evaluate its effectiveness. The last biennial review was conducted in 2016.

Consistent with the requirements of Title IX of the Education Amendments of 1972, the Clery Act, and the Violence Against Women Act ("VAWA"), the College prohibits discrimination based on sex in its educational programs and activities, including sexual harassment, and acts of domestic violence, dating violence, sexual violence (including sexual assault) and stalking. The College also prohibits any retaliation, intimidation, threats, coercion or any other discrimination against any individuals exercising their rights or responsibilities pursuant to these laws and institutional policy. The College's Code of Student Conduct District Procedure, Student Discrimination and Harassment Board Policy, Student Discrimination and Harassment District Procedure, Employee Discrimination and Harassment Board Policy, and Employee Discrimination and Harassment District Procedure are used to address complaints of this nature. The following discusses the College’s educational programs to promote the awareness of domestic violence, dating violence, sexual assault and stalking; provides information concerning procedures students and employees should follow and the services available in the event they do become a victim of one of these offenses, and advises students and employees of the disciplinary procedures that will be followed after an allegation that one of these offenses has occurred.

The College conducts a Primary Prevention and Awareness Program (PPAP) for all incoming students and new employees. <p>Consent (as it relates to sexual activity) (Mo. Rev. Stat. § 556.061(14))</p>	<ul style="list-style-type: none"> • Consent or lack of consent may be expressed or implied. Assent does not constitute consent if: <ul style="list-style-type: none"> 1. It is given by a person who lacks the mental capacity to authorize the conduct charged to constitute the offense and such mental incapacity is manifest or known to the actor; or 2. It is given by a person who by reason of youth, mental disease or defect, intoxication, a drug-induced state, or any other reason is manifestly unable or known by the actor to be unable to make a reasonable judgment as to the nature or harmfulness of the conduct charged to constitute the offense; or 3. It is induced by force, duress or deception.

In addition to the definition of consent under state law, the institution uses the following definition of consent in its sexual misconduct policies for the purpose of determining whether sexual violence (including sexual assault) has occurred:

Consent requires an affirmative act and consent provided by one who is coerced, incapacitated due to disability, intoxication, drug use or sleep is not effective consent.

Consent is defined as:

The unambiguous and willing participation or cooperation in act, behavior or attitude that is commonly understood to be consistent with the exercise of free will.

Consent requires participants who are lawful adults, fully conscious, equally free and legally competent to act, have clearly communicated their willingness, cooperation or permission to participate in the specific sexual activity engaged in, are positive and clear about their desires and are able to cease ongoing consensual activity at any time.

Refusal to consent does not have to be verbal; it can be expressed with clear gestures, body language or attitude.

Prior sexual history, by itself, does not constitute consent, nor does consenting to sexual activity with one person imply consent to sexual activity with another person.

Consent is Coherent

A person cannot consent if he or she is incapacitated due to drugs or alcohol.

You may be able to tell if someone is incapacitated if he or she:

- Is unable to stand or walk without wobbling, falling or needing to lean on something or someone for support.
- Has slurred speech and difficulty communicating.
- Is passed out or sleeping.
- Has vomited or urinated on himself or herself.

The PPAP includes instruction on how to avoid becoming a victim and the warning signs of abusive behavior, the recognition of which will help mitigate the likelihood of perpetration, victimization or bystander inaction. Specifically they are advised:

If you find yourself in an uncomfortable sexual situation, these suggestions may help you reduce your risk:

- Make your limits known before going too far.
- You can withdraw consent to sexual activity at any time. Do not be afraid to tell a sexual aggressor “NO” clearly and loudly.
- Try to remove yourself from the physical presence of a sexual aggressor. Be direct as possible about wanting to leave the environment.
- Grab someone nearby and ask them for help.
- Be responsible about your alcohol and/or drug use. Alcohol and drugs can lower your sexual inhibitions and may make you vulnerable to someone who views an intoxicated/high person as a sexual opportunity.
- Attend large parties with friends you trust. Watch out for your friends and ask that they watch out for you.
- Be aware of someone trying to slip you an incapacitating “rape drug” like Rohypnol or GHB.

If you find yourself in the position of being the initiator of sexual behavior, these suggestions may help you to reduce your risk of being accused of sexual assault or another sexual crime:

- Remember that you owe sexual respect to the other person.
- Don’t make assumptions about the other person’s consent or about how far they are willing to go.
- Remember that consent to one form of sexual activity does not necessarily imply consent to another form of sexual behavior.
- If your partner expresses a withdrawal of consent, stop immediately.

- Clearly communicate your sexual intentions so that the other person has a chance to clearly tell you their intentions.
- Consider “mixed messages” a clear sign that the other person is uncomfortable with the situation and may not be ready to progress sexually.
- Don’t take advantage of someone who is really drunk or on drugs, even if they knowingly and intentionally put themselves in that state. Further, don’t be afraid to step in if you see someone else trying to take advantage of a nearly incapacitated person.
- Be aware of the signs of incapacitation, such as slurred speech, bloodshot eyes, vomiting, unusual behavior, passing out, staggering, etc.

It is also important to be aware of the warning signs of an abusive person. Some examples include:

- Past abuse
- Threats of violence or abuse
- Breaking objects
- Using force during an argument
- Jealousy
- Controlling behavior
- Quick involvement
- Unrealistic expectations
- Isolation
- Blames others for problems
- Hypersensitivity
- Cruelty to animals or children
- “Playful” use of force during sex
- Jekyll-and-Hyde personality
- Has an explosive temper
- Pinches, slaps, pushes or grabs you
- Forces or intimidates you into sexual activity
- Blames you for his or her anger
- Makes you feel afraid

PPAP instruction also includes encouraging individuals to take safe and positive steps to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault or stalking against another person. This includes reporting such incidents to appropriate authorities. Other steps that can be taken include:

- Look out for those around you.
- Realize that it is important to intervene to help others.

- Treat everyone respectfully. Do not be hostile or an antagonist.
- Be confident when intervening.
- Recruit help from others if necessary.
- Be honest and direct.
- Keep yourself safe.
- If things get out of hand, don't hesitate to contact the police.

The PPAP also provides information on possible sanctions and protective measures that may be imposed following a determination that an offense of dating violence, domestic violence, sexual assault, or stalking has occurred, an explanation of the disciplinary procedures that will be followed when one of these offenses is alleged, the rights of the parties in such a proceeding, available resources, and other pertinent information. Much of this information is set forth in the upcoming sections of this security report.

Ongoing Prevention and Awareness Program:

The College also conducts an Ongoing Prevention and Awareness Campaign (OPAC) aimed at all students and employees. This campaign covers the same material as provided in the PPAP, but is intended to increase the understanding of students and employees on these topics and to improve their skills for addressing the offenses of dating violence, domestic violence, sexual assault and stalking.

PPAP and OPAC Programming Methods:

The PPAP and OPAC are carried out in a variety of ways, using a range of strategies, and, as appropriate, targeting specific audiences throughout the College. Methods include, but are not limited to: online presentations, distribution of written materials, periodic email blasts, and guest speakers. Past programming and currently planned programming includes the following that have been provided by the Metropolitan Organization to Combat Sexual Assault (MOSCSA), Rose Brook Center, Hope House, Synergy Services, MCC Counselors and MCC Campus Life and Leadership personnel:

Sexual Assault Awareness, The Clothesline Project, "In Her Shoes" Domestic Violence Awareness, Safe Dates: Dating Violence Prevention, Nature and Dynamics of Domestic Violence, Healthy Relationships Presentation, Sexual Assault Prevention Training, No MORE Blue Donut Day – VAWA and Bystander Awareness, Passive Programming: Sexual Assault and Domestic Violence, What is Sexual Assault?, and The Facts About Domestic Violence.

- Evidence in electronic formats should also be retained (e.g., text messages, emails, photos, social media posts, screenshots, etc.).
- Victims of stalking should also preserve evidence of the crime to the extent possible.

3. The victim's options regarding notification to law enforcement, which are: (a) the option to notify either on-campus or local police; (b) the option to be assisted by campus security authorities in notifying law enforcement if the victim so chooses (the institution is obligated to comply with such a request if it is made); and (c) the option to decline to notify such authorities.

4. Where applicable, the rights of victims and the institution's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.
 - In Missouri, victims may obtain an Adult Order of Protection, which provides protective relief for victims of domestic violence, stalking, or sexual assault. Information about Adult Orders of Protection may be found at: <http://www.courts.mo.gov/page.jsp?id=533>.

A protection order may be obtained by filing a petition with the court. Courts can issue two types of orders: (1) Ex Parte Orders, which act as a temporary emergency order to protect a victim, for up to 15 days, until a court hearing, and (2) Full Orders of Protection, which may be issued for up to one year. Additional information about the orders may be found at: <http://www.courts.mo.gov/file.jsp?id=69655>.

 - A Petition for Order of Protection should be filed for in the 16th Circuit of Jackson County's Kansas City Courthouse. For Kansas City, Missouri, (Western Jackson County) the address is: 415 E. 12th Street, Kansas City, Missouri 64106. The phone number is 816-881-3971. For Independence and Lee's Summit, Missouri, (Eastern Jackson County) the address is: 308 W. Kansas Ave., Independence, Missouri 64050. The phone number is (816) 881-4555. - The circuit court clerk's office can provide the necessary forms and may assist in completing the forms. Forms may also be found online at: <http://www.courts.mo.gov/file.jsp?id=537>. A victim should be prepared to present documentation and/or other forms of evidence when filing for an order of protection.

Victims may contact local domestic violence and sexual assault advocates for assistance in obtaining a protection order.

- The Kansas City Missouri Police Department provides advocates for victims of domestic violence through their Victim Services Office. The KCPD is located at: 1125 Locust, Kansas City, Mo. 64106. The Victim Advocate phone number is: 816-234-5205. More information may be found at: <http://kcmo.gov/police/victim-resources-2/>.

When a protection order is granted, it is enforceable statewide. If you have obtained a protection order and need it to be enforced in your area, you should contact the local police department.

The institution will also enforce any temporary restraining order or other no contact order against the alleged perpetrator from a criminal, civil, or tribal court. Any student or employee who has a protection order or no contact order should notify the Title IX Coordinator and provide a copy of the restraining order so that it may be kept on file with the institution and can be enforced on campus, if necessary. Upon learning of any orders, the institution will take all reasonable and legal action to implement the order.

- The institution does not issue legal orders of protection. However, as a matter of institutional policy, the institution may impose a no-contact order between individuals in appropriate circumstances. The institution may also issue a "no trespass warning" if information available leads to a reasonable conclusion that an individual is likely to cause harm to any member of the campus community. A person found to be in violation of a No Trespass Warning may be arrested and criminally charged.

Available Victim Services:

Victims will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to them, both within the College and in the surrounding community. Those services include:

MCC Resources

- MCC Police Department (816) 604-1200
- Title IX Coordinators (listed in prior section of report)
- Student Financial Aid – Sometimes a victim of a crime may feel the need to take a leave of absence from school. If a student is considering a leave of absence based on the circumstances of a complaint, he/she should understand there may be financial aid implications in taking such leave. This should be discussed with financial aid personnel, and the Title IX Coordinator for your campus can assist in facilitating this conversation if desired. The College's financial aid website can be found at: <http://mcckc.edu/financialaid/>.

Accommodation and Protective Measures:

The College will provide written notification to victims about options for, and available assistance in, changing academic, living, transportation, and working situations or protective measures. If victims request these accommodations or protective measures and they are reasonably available the College is obligated to provide them, regardless of whether the victim chooses to report the crime to campus security or local law enforcement. Requests of this nature should be made to the Dean of Student Development & Enrollment (for Your Campus) at

- MCC-Blue River (816) 604-6620
- MCC- Business & Technology (816) 604-5229
- MCC-Longview (816) 604-2326

- MCC-Penn Valley (816) 604-4114
- Confidential Reporting to Kim Fernandes (816) 604-1418

The Dean of Student Development & Enrollment (for Your Campus) is responsible for deciding what, if any, accommodations or protective measures will be implemented. When determining the

reasonableness of such a request, the Dean of Student Development & Enrollment (for Your Campus) may consider, among other factors, the following:

- The specific need expressed by the complainant.
- The age of the students involved.
- The severity or pervasiveness of the allegations
- Any continuing effects on the complainant
- Whether the complainant and alleged perpetrator share the same residence hall, dining hall, class, transportation or job location.
- Whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

The College will maintain as confidential any accommodations or protective measures provided a victim to the extent that maintaining confidentiality would not impair the College's ability to provide them. However, there may be times when certain information must be disclosed to a third party in order to implement the accommodation or protective measure. Such decisions will be made by the Dean of Students (for Your Campus) in light of the surrounding circumstances, and disclosures of this nature will be limited so that only the information necessary to implement the accommodation or protective measure is provided. In the event it is necessary to disclose information about a victim in order to provide an accommodation or protective order, the College will inform the victim of that necessity prior to the disclosure, including which information will be shared, with whom it will be shared and why.

Procedures for Disciplinary Action:

Complaints of sexual assault, domestic violence, dating violence and stalking will be resolved through the formal processes as described below. Informal resolution may also be considered in certain circumstances if agreed by the parties, except not in situations alleging sexual violence.

Students who believe they have been a victim of one of these offenses may file a complaint with the dean of students/Title IX Coordinator of the primary campus.

Employees who believe they have been a victim of one of these offenses should file a complaint with the Director of Employee Relations & Training.

For Students - Allegations Involving Alleged Sexual Harassment or Sexual Offenses or Sexual Violence

If the allegations relate to conduct involving alleged sexual harassment or sexual violence including dating violence, domestic violence, stalking or sexual assault the college will protect the confidentiality of the victim (complainant) but will share information where necessary to provide accommodations or protective measures. The complainant will be informed in writing if no grounds or insufficient grounds exist to believe that a violation occurred and dismisses the allegations or if a hearing is scheduled for the student against whom the allegations have been made and that he or she may attend the hearing.

The complainant and respondent will be informed that he or she may have other support person(s) and/or an attorney present at the hearing, but these persons will be observers only and cannot participate. Proceedings will be completed within ten (10) business days after the scheduled hearing date. The complainant and respondent will both be sent a copy of the written decision of the hearing panel including the result stating both the sanctions and rationale for the result.

Deliberations of the committee will be closed. Within five (5) business days of the conclusion of the hearing, the written recommendation of the committee will be furnished to the dean who will deliver, by U.S. mail, and student e-mail a copy to the student. The complainant and the president will also receive these materials. Within five (5) business days, the president will review the recommendation and choose one of the following: affirm the recommendation; affirm the findings and reduce, but not eliminate, the disciplinary action; or remand the case to the hearing committee for rehearing if errors in procedure or interpretation of board policy or regulation were so substantial as to effectively deny the student a fair hearing, or if new and significant evidence became available which could not have been discovered by a properly diligent student before or during the original hearing.

The student or complainant may appeal the decision of the president to the chancellor for the following reasons: Failure to follow proper procedure; new evidence that could not have reasonably been discovered at the time the matter was originally considered has been discovered; or the weight of the evidence does not support the sanction imposed

Within ten (10) business days of receipt of the decision of the president, the party desiring to appeal will notify the chancellor and the other party in writing. If an appeal is not filed, the decision of the president is final. Within ten (10) business days after the written notice of appeal, the appealing party will submit a statement stating the basis for the appeal. This statement may be included in the notification to the chancellor. The chancellor will review the record and the written statements, and choose one of the following: Affirm the recommendation of the hearing committee or the president; affirm the findings of the hearing committee or the president and reduce, but not eliminate, the disciplinary actions; remand the case to the hearing committee for rehearing if errors in procedure or interpretation of board policy or regulation were so substantial as to effectively deny the student a fair hearing, or if new and significant evidence became available which could not have been discovered by a properly diligent student before or during the original hearing; or dismiss the case.

For Employees - Allegations Involving Alleged Sexual Harassment or Sexual Offenses or Sexual Violence

When a complaint is received, the investigator shall immediately institute a thorough review of the circumstances and situations alleged in the complaint. The investigator will involve other college personnel and resources as deemed appropriate to ensure a thorough investigation of the allegations. The complainant and respondent will be notified that an investigation has been initiated and will have the opportunity to provide any relevant information. The purpose of the investigation is to determine whether it is more likely than not that the alleged conduct occurred and, if so, whether the offense was committed. During the investigation and determination process, both a complainant and respondent may ask a support person to accompany him or her to meetings with the investigator.

During the course of the investigation, the investigator may receive counsel from other parties as needed, including the college's legal counsel. The investigator may determine that interim remedies or protections for the parties involved or witnesses are appropriate. These interim measures may include separating the parties, placing limitations on contact between the parties, suspension or making alternative work arrangements. The pendency of a criminal investigation does not relieve the college of its responsibility to investigate the victim's complaint. Therefore, to the extent doing so does not interfere with any criminal investigation, the college will proceed with its own investigation and resolution of the complaint.

Within three (3) business days of the conclusion of the investigation, the investigator shall provide a written determination to the complainant and respondent. The written determination will explain the scope of the investigation and explain whether any allegations in the complaint were found to be

substantiated by a preponderance of the evidence. In the event the written determination finds the alleged offense occurred, the written determination will include a statement of appropriate corrective and disciplinary action to be taken. The investigator will also implement reasonable and appropriate measures to protect the complainant. If necessary to comply with federal privacy laws, portions of the written determinations, decisions, and communications supplied to the complainant and respondent will be redacted.

Within five (5) days of receipt of the determination by the investigator, either the complainant or respondent may appeal the determination in writing to the vice chancellor for administrative services. Upon review of the written determination and recommendation of the investigator, the vice chancellor of administrative services shall notify the investigator, the complainant and respondent of the determination. Within five (5) days of receipt of a recommendation from the panel, the complainant or respondent may appeal the determination in writing to the chancellor. Upon the determination by the chancellor, the process shall be concluded and not available for review under any other internal process.

All timelines identified may be suspended at the discretion of the associate vice chancellor of human resources or their designee during periods of holidays, semester breaks, finals, non-contract days for faculty, and any times that fall outside the regular school calendar and if the time for any action or decision falls upon a weekend or holiday, the action or decision shall be due the first working day following such weekend or holiday. The college will endeavor to complete its investigation and resolution of any complaint within sixty (60) calendar days of receiving it.

Rights of the Parties in an Institutional Proceeding:

During the course of the process described in the previous section, both the accuser and the individual accused of the offense are entitled to:

1. A prompt, fair and impartial process from the initial investigation to the final result.
 - A prompt, fair and impartial process is one that is:
 - Completed within reasonably prompt timeframes designated by the institution's policy, including a process that allows for the extension of timeframes for good cause, with written notice to the accuser and the accused of the delay and the reason for the delay.
 - Conducted in a matter that:
 - Is consistent with the institution's policies and transparent to the accuser and the accused.
 - Includes timely notice of meetings at which the accuser or accused, or both, may be present; and
 - Provides timely access to the accuser, the accused and appropriate officials to any information that will be used during the informal and formal disciplinary meetings and hearings.
 - Conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused.
2. Proceedings conducted by officials who, at a minimum, receive annual training on the issues related to domestic violence, dating violence, sexual assault and stalking and on how to

conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

- Such training addresses topics such as relevant evidence and how it should be used during a proceeding, proper techniques for questioning witnesses, basic procedural rules for conducting a proceeding, and avoiding actual and perceived conflicts of interest.

Including training related to these offenses and how to conduct an investigation and hearing that protects the safety of victims and promotes accountability; this training includes weight of evidence, Title IX requirements, and confidentiality considerations. In addition, training on the issues related to domestic violence, dating violence, sexual assault and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

3. The same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. The institution may not limit the choice of advisor, but may establish limits regarding the extent to which that advisor may participate in the proceeding, as long as those limits apply equally to both parties.
4. Have the outcome determined using a preponderance-of-the-evidence standard based on the totality of the evidence presented.
5. Simultaneous, written notification of the results of the proceeding, any procedures for either party to appeal the result, any change to the result, and when the result becomes final. For this purpose, "result" means "any initial, interim and final decision by an official or entity authorized to resolve disciplinary matters" and must include the rationale for reaching the result and any sanctions imposed.

Possible Sanctions or Protective Measures that College May Impose for Domestic Violence, Dating Violence, Sexual Assault or Stalking Offenses:

Following a final determination in the College's disciplinary proceeding that one of the above offenses has been committed, the College may impose a sanction taking into consideration any mitigating and aggravating circumstances involved. They include: assessment of financial penalties, suspension, expulsion, probation or termination/expulsion.

Sanctions for Students

1. Restitution: Restitution necessitates compensation for loss, damage, or injury and can take the form of service and or monetary/material replacement.

2. Educational Sanctions: Educational Sanctions are the broadest category of sanctions used by MCC. Educational Sanctions typically include one or more of the following: work assignments, community service, behavioral contract, administrative referral, and other related educational assignments.

3. Formal Warning: Formal Warnings emphasize to the student that further violations would result in progressive sanctioning. A student receiving a Formal Warning shall continue to exercise the rights and privileges of a student in good standing.

4. Conduct Probation: Conduct Probation serves as a warning to students that they are not in good standing with MCC. Further violations of the Code of Conduct could result in suspension or dismissal.

5. Facility Suspension: The student no longer has the privilege of entering or using a particular facility or building or college property for a specified period of time or until a specific condition is met.

6. Facility Expulsion: Facility Expulsion entails the permanent loss of privileges to use a building or facility or college property for an unlimited period of time.

7. Loss of Privileges: Loss of Privileges entails denial of specified privileges for a designated period of time.

8. Barring from Class, Activity or Contact: The student is barred from attending a particular class, activity or from contact with specific students or employees.

9. Suspension: Suspension entails the termination of a student's enrollment for a particular period of time, or until specific conditions are met. Suspended students may not be present on college property, or at college sponsored events.

10. Expulsion: Expulsion entails the termination of a student's enrollment with MCC. Expelled students are prohibited from being present on college property, or at college sponsored events.

Following a suspension, students may request, in writing, re-admittance to MCC. The written request should be submitted to the office of the dean of students on the campus where the hearing was held. All sanction requirements must be documented and completed. The request will be reviewed and the student will meet with the dean.

Failure to complete a required sanction is a serious offense. It is considered an additional violation of the Code of Conduct, and will usually result in more serious sanctions being imposed. Students failing to complete sanctions by the required deadlines may be suspended or expelled from the college.

Within two (2) weeks of a student's failure to complete a sanction, a HOLD will be placed on the student's records, and any pre-registration that the student might have already conducted. Thus, it is very important for the student to complete sanctions on time and avoid a HOLD being placed on his or her academic records or registration. A HOLD on a student's admission, registration, transcript access or financial aid is not an independent penalty, but may be utilized by the college as a means to either direct a student's attention to subsequent participation in a pending disciplinary proceeding or obtain the student's compliance with a sanction which has been imposed, or other action which has been taken, under the Code of Student Conduct.

Sanctions for Employees

Employees found to be in violation will be subject to the full range of discipline up to and including written reprimand, suspension, demotion, and termination.

Protective Measures

The College can provide a range of protective measures to victims of these offenses. They include, but are not limited to the following: no contact orders or banning from college property or participation in college sponsored events, remedial steps may include counseling for the complainant, work or other arrangements for the complainant, separation of the parties, and training for the respondent and other persons.

Publicly Available Recordkeeping:

The College will complete any publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifiable information about victims of domestic

violence, dating violence, sexual assault, and stalking who make reports of such to the College to the extent permitted by law.

Victims to Receive Written Notification of Rights:

When a student or employee reports to the College that he or she has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether the offense occurred on or off campus, the College will provide the student or employee a written explanation of his or her rights and options as described in the paragraphs above.

Sex Offender Registration Program:

The Campus Sex Crimes Prevention Act of 2000 requires institutions of higher education to advise members of the campus community where they can obtain information provided by the state concerning registered sex offenders. It also requires sex offenders to notify the state of each institution of higher education in the state at which they are employed or enrolled or carrying on a vocation. The state is then required to notify the College of any such information it receives. Anyone interested in determining whether such persons are on this campus may do so by contacting MCC Police Department at (816) 604-1200. State registry of sex offender information may be accessed at the following link: <http://www.mshp.dps.mo.gov/MSHPWeb/PatrolDivisions/CRID/SOR/SORPage.html>

Emergency Response and Evacuation Procedures

MCC's Emergency Notification Policy provides for the issuance of an Emergency Alert to the MCC Community if a significant emergency or dangerous situation has arisen and it has been confirmed by campus officials with local law enforcement authorities, governmental authorities, and/or by other methods deemed valid, that the same involves an immediate, impending, or imminent threat to the health or safety of the MCC Community, either on or off campus. In such event, an Emergency Alert will be immediately disseminated to the MCC Community.

Examples of significant emergencies or dangerous situations that could pose an immediate threat and warrant the issuance of an Emergency Alert include the following: extreme weather conditions such as an approaching tornado, earthquake, gas leak, terrorist incident, armed intruder, bomb threat, civil unrest or rioting, explosion, nearby chemical or hazardous waste spill, or outbreak of meningitis, norovirus, or other serious illness. MCC may also elect to issue an Emergency Alert in the event of a power outage, snow closure, or minor crimes.

Students, staff and visitors are encouraged to notify the MCC Police Department at (816) 604-1200 of any situation that poses such a threat.

The primary responsibility for monitoring emergency threats and events resides with the MCC Police Chief or designee. Upon verification that an emergency or dangerous condition exists that is an immediate threat to the health and safety of employees and students, confirmation of the existence of the emergency will be done by receiving information from and coordinating with a variety of official and public sources, such as:

- a. National Warning System
- b. National Weather Service (NWS)
- c. Emergency Broadcast System (EBS)
- d. State Patrol/Police

- e. Local Police, Fire and Emergency Medical Services
- f. Emergency Telephone Calls

Other entities such as Facilities will monitor developing weather systems. This activity however does not mitigate the responsibility of the MCC Police Chief or Designee to serve as the central communications point for all campus or facility threats including weather related emergencies which may develop slowly (severe winter storms) or suddenly (tornadoes, severe thunderstorms, etc.).

The MCC Police communications center will maintain an updated list of appropriate points of contacts as defined in this plan. Should it be deemed necessary to warn the community of an impending threat or emergency situation, the MCC Police Department is designated, with the authority through the Chancellor, his/her designee, or Chief of Police to utilize alert warning systems and other warning activities.

Once the emergency is confirmed and based on its nature, the Chancellor or Chief of Police, or their designee, will consult with other appropriate College officials and MCC’s communication department, as appropriate, and determine the content of the notification and the appropriate segment or segments of the College community to be notified.

The Chancellor and the Chief of Police, or their designee, in collaboration with other appropriate personnel, will determine who should be notified, and will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Depending on the segments of the campus the notification will target, the content of the notification may differ. When appropriate, the content of the notification will be determined in consultation with local authorities. Also as appropriate, the notification will give guidance as to whether its recipients should shelter in place or evacuate their location.

The Chancellor or Chief of Police, or their designee, will direct the issuance of emergency notifications, which will be accomplished using one or more of the following means, depending on the nature of the threat and the segment of the campus community being threatened:

Method	Sign-Up Instructions
Text messages	Emergency Alerts will be sent directly to the mobile phones of those employees and students who have registered with the emergency text service. Employees and students are encouraged to register for this service. For sign up information, see https://www.getrave.com/login/mcckc

Computer messages	No sign up required

In an extreme emergency, the Emergency Alert issuance may be implemented at the sole direction of the Chief of Police.

At the direction of Chancellor, or designee, the College's Chief of Police, or designee, will contact local law enforcement of the emergency if they are not already aware of it and local media outlets in order that the larger community outside the campus will be aware of the emergency.

If there is a potential that the significant emergency or dangerous situation may have an effect on the community outside MCC, the Chief of Police, Chancellor, and MCC's Communications personnel, if appropriate, will determine if it is necessary to disseminate the Emergency Alert to the community outside MCC, determine the content of such Emergency Alert, determine the communication dissemination methods to be utilized, and cause the issuance of the Emergency Alert without delay. The Emergency Alert will be disseminated to the community outside MCC via various communication methods which may include press releases, radio alerts, television alerts, and/or other methods as may be deemed appropriate.

After the initial Emergency Alert, the MCC communications department, after consultation with the Chief of Police and the Chancellor, will initiate a communication chain of command, which will include the appointment of an individual responsible for issuing the Emergency Alert update messages, if necessary, and a media communications spokesperson. Emergency Alert updates, if appropriate, will be issued in twenty (20) minute intervals until the situation is resolved.

In the event local police authorities issue a news release or other alert about a significant emergency or dangerous situation that has arisen which could involve an immediate threat to the health or safety of the MCC Community, the Chief of Police and the Chancellor will determine if an Emergency Alert will be issued as described above.

The College tests its emergency response and evacuation procedures at least once a year. The tests may be announced or unannounced. Also, at various times the Emergency Management Team will meet to train and test and evaluate the College's emergency response plan.

The Chief of Police maintains a record of these tests and training exercises, including a description of them, the dates and times they were held and an indication of whether they were announced or unannounced. In connection with at least one such test, the College will distribute to its students and employees information to remind them of the College's emergency response and evacuation procedures.
