MaryBeth Moley:

FOUR DECADES OF DEDICATION AND INSPIRATION

We are celebrating the life and legacy of the late MaryBeth Moley (1951-2024), a beloved Artist and Art Instructor who inspired generations of students at the Metropolitan Community College-Penn Valley. MBM's lasting Legacy is the creation of the Carter Art Center built in 2003.

We warmly invite all past and current MCC-Penn Valley art students, along with friends/family to this community interactive gallery exhibition. So, please bring photo copies of any MBM photos you may have to share of your fun memories, and written inspirational reflections to be displayed on the walls in the Carter Art Center Gallery. We will provide some art supplies for your hand written dedications. You may also email us at cacg@mcckc.edu with your memory that we will display on your behalf.

Please note the "Spirits in Us" art exhibition will be concurrently displayed in the CACG.
