DRONE PART 107 REMOTE PILOT TRAINING COURSE AND EXAM PREPARATION

In order to fly your drone under the FAA's Small UAS Rule (Part 1-7), you must obtain a Remote Pilot Certificate from the FAA (Federal Aviation Administration). This course will cover the material required to demonstrate that you understand the regulations, operating requirements, and procedures for safely flying drones. This course prepares participants for the FAA Certification test. The instructor will provide information regarding where the certification can be taken at additional cost.

Cost for the class is \$240
