15 Week – Phlebotomy Non-Credit Course

This course prepares the student for the American Society of Clinical Pathologists' national certification exam. ***The fee for the national exam is NOT included in tuition.**

Enrollment Requirements:

- MCC Student ID number – the application is found at www.mccck.edu/apply. For all questions regarding Online Admissions, please call 816-604-1000.

**This must be completed prior to course registration by all students*

- Student must be at least 18 years of age
- Proof of High School Diploma/GED/HiSET
- Student must have a valid government issues ID

Registration Steps:

Call (816) 604-4022 to schedule a pre-registration appointment and to reserve your seat.

*If you are working with an outside funding agency, you must provide an authorization and contact information from the approving agent at the time of registration.

Tuition payment of \$1570 is due in full at orientation. Please bring all enrollment requirements to your pre-registration appointment. **(We do not accept cash or American Express)**

Pre-Requisite Clinical Requirements: Due the 5th week of class

- Family Care Safety Registry

Online registrations are processed same day. To complete registration, visit <https://health.mo.gov/safety/fcsr/>. You will receive a letter in the mail from the Missouri Department of Health and Senior Services (DHSS). *Proof of payment will not be sufficient – you must have the letter from DHSS.*

If you are unable to register online, you may print the registry at <https://health.mo.gov/safety/fcsr/pdf/WorkerRegistration.pdf> and mail the completed form. This process will take 6-8 weeks to receive your DHSS letter.

- Castle Branch Document Manager (includes background check and drug screen)

The following immunizations will be required to be uploaded to the above document manager:

- Hepatitis B Immunization or signed waiver
- Measles, Mumps and Rubella (MMR) Immunization or Titer test
- Chickenpox (Varicella) Immunization or Titer test
- Two separate Mantoux Tuberculosis (TB) skin test results taken within the past 12 months – both must be completed within 1-3 weeks of one another.
- Tetanus/Diphtheria Immunization within the last ten (10) years
