Parent Confirmation of Refusal - Required

Parent must initial each statement below indicating understanding of the impact of this request.

Initial	Acknowledgement
	I do not provide any financial support to my student including cash and non-cash support such as housing, use of a vehicle, health or car insurance coverage, or co-signing any type of loan for the student.
	I understand that refusing to provide parent income information on the FAFSA does not make my student eligible for additional aid. Refusing to provide information limits students to only receiving unsubsidized student loans. Unsubsidized loans accrue interest while the student is in school.
	I understand that providing my income information on the FAFSA does not obligate me to provide any financial assistance for my student, but it can make the student eligible for other types of financial aid in addition to student loans.

By signing below, I certify that I refuse to provide income and household information on the Free Application for Federal Student Aid (FAFSA), that my financial support of my student has ended, and I will not provide any financial support in the future. I understand that this request affects aid only at Metropolitan Community College for the current academic year.

If you have decided to provide parent information on the FAFSA, file a correction at www.studentaid.gov. This form is not required if FAFSA is corrected to include parent information.
