THIS IS IMPORTANT INFORMATION REGARDING YOUR VA EDUCATION BENEFITS

Changes in course enrollment after the last day to drop and add courses may result in the retroactive loss of benefits unless the VA finds mitigating circumstances involved in the change. Loss of benefits could revert back to the first day of the term.

You will only be paid for those courses that meet degree requirements in the educational program on file with Metropolitan Community College.

***Chapter 30, 1606, 1607 must verify continued enrollment at the end of each month** of the semester by web or toll-free number to receive payment of educational benefits. Visit <http://www.gibill.va.gov/wave> or call 1-800-823-2378.

Please **INITIAL** after reading each item:

Initial **EACH TERM** I must report my registration and any changes (i.e. drop/add) in my enrollment to the MCC Veterans Certifying Official (veterans@mccck.edu) in order to receive my benefits.

Initial **I must be enrolled in an approved program of study** that leads to a standard degree or certificate and have all prior (official) transcripts on file at MCC by the end of my first term of enrollment. I understand that I will not be paid by VA for classes previously passed at MCC or other institutions.

Initial **I will ensure that the classes I am taking are required by my MCC degree plan.**

Initial **I understand that counselor advisement/error is not an acceptable reason for taking classes not applicable to my program.**

PLEASE BE ADVISED: Since we have 8-week terms and many short courses, you should be alerted to the fact that the beginning and ending dates of each individual course will affect the amount of money the VA will send you for the month. The Department of Veterans Affairs will treat each course you are enrolled in as a separate unit with its own beginning and ending date. We will report these dates to the VA so that they can determine your monthly payment according to their regulations. When a course ends, it is no longer counted by the VA as part of your enrollment, regardless of which semester it is assigned to. This is independent of Metropolitan Community College policy.

* I give my permission for the school certifying official to review my educational record.
