WEAPON POSSESSION

2.05130 BP

Weapons including firearms, whether visible or concealed, shall not be permitted on district facilities or at district events.

I. Definition

- A. District Property: District property includes buildings, grounds, athletic or other venues, and parking facilities, whether owned or leased by the district or whether leased by the district to others.
- B. Person: For the purpose of this policy, person is defined as all visitors, students, staff, faculty, administrators, and Board members, with the exception of its commissioned police officers.

II. No person shall possess or carry any weapon as defined in Missouri Revised Statutes, including a firearm, whether concealed or visible, on district property.

III. No person shall carry any weapon, including a firearm, in any district owned or leased vehicle or at any district-sponsored activity regardless of whether the person holds a concealed carry endorsement. This prohibition shall also apply to vehicles on district property unless any such vehicle is operated by a commissioned police officer.

IV. No district official or employee may give consent for any person, other than a federal, state or local commissioned officer, to carry a weapon, including a firearm, whether visible or concealed, into or upon any district facility, property or activity.

V. The prohibition set forth herein shall not apply to weapons, including firearms, owned by the district or brought onto district property at the written request of the chancellor, or the vice chancellor for administrative services.
