CLINICAL AFFILIATIONS

6.25060 BP

The allied health programs of the district require that clinical affiliations with appropriate agencies be developed and maintained. Therefore, the chancellor shall develop such affiliations as appropriate to the needs of the district's programs. All new clinical affiliations or continuing clinical affiliations containing substantive changes shall be approved by the board.

The chancellor is authorized to enter into clinical affiliations on behalf of the district if such clinical affiliations meet the following conditions.

- (1) The affiliation agreement is of a continuing nature and contains no substantive changes.
- (2) The affiliation agreement has been reviewed and approved for legal compliance by the district legal counsel.
- (3) Any expenditures required by the agreement are within the approved budget.

The chancellor shall report monthly to the board all clinical affiliations entered into the district.
