WHY USE LIBRARY DATABASES?

You will encounter research assignments designed to prepare you for the intense challenges faced after graduation.

As you move forward in your program, you will gain experience using informational tools empowering you to make informed decisions that will have a positive impact on your life and community.

The MCC library databases are similar to tools you will use as you successfully navigate your career and solve a variety of informational challenges.

HOW TO ACCESS LIBRARY DATABASES

Step One: Go to the MCC webpage https://mcckc.edu

Step Two: Click Library at the top of the page

Step Three: Click Databases

Step Four: Click to display databases listed by subject or in alphabetical order

Step Five: Click the name of the database you want to search

Step Six: Sign in with the same MCC student ID and password you use to access student email and blackboard

For additional help finding and using MCC databases, click Ask a Librarian.
