This Pathway Map is an advising tool designed for full-time/part-time students and identifies the course recommendations for timely degree completion. All pathway maps can be modified to fit the individual needs of students. All students are encouraged to meet with their academic advisor to develop an individualized completion plan that best meets their goals, interests, and objectives. Degree requirements and prerequisite information can be found here: [Business Management](#)

Please note:

- Courses may require a prerequisite or appropriate placement, see the [Academic Catalog](#) for additional information.
- Natural Science courses must be chosen from two different disciplines including at least one course with a lab.
- Only 3 credits for performance classes can be used for Humanities & Fine Arts
