Associate of Applied Science (A.A.S.)

A.A.S. Lineman Program Schedule –

Advising Guide

The program, which only starts once a year in the summer, begins with a one-year certificate. You can then go on to get an associate degree (with four additional classes) for transfer. The program is fine tuned to meet real-world needs. Three utility companies, Evergy (KCPL), Independence Power & Light, and Platte-Clay Electric Cooperative, are on the MCC-BTC advisory board for course content.

Students must successfully complete the required prerequisite courses prior to beginning the program: ^READ 100 or appropriate placement score, ^ENGL 101 and ^MATH 102 or higher, and Completion of the Lineman Program Application. Please use Chrome or Firefox as your browser. To complete the application, you will need your MCC Student ID Number and password. You will need to enter the "S" in the front of your student ID number. Current resume, Lineman interview Signed, Release, Assumption of Risk and Indemnification Agreement.

Semester 1		
Course	Credits	Action Steps
^MATH 102 or higher (Program Prerequisite)	3-5*	• Meet with Academic Advisor to set up academic plan
