Associate in Arts (AA)

Social Work Emphasis – Advising Guide

Social Workers are professionals who go out into the world and work with people to assist them in meeting life's challenges. By pursuing a bachelor's degree in social work, you will be prepared with the knowledge, skills, and values for entry-level (generalist) social work practice and for advancement to graduate level study. Our social work program is built around the Associate in Arts (AA) degree. This degree gives you a solid background in general education courses that can transfer to a four-year institution. For more information, please refer to <https://mcckc.edu/programs/social-work/index.aspx>.

This Pathway Map is an advising tool designed for full-time students and identifies the course recommendations for timely degree completion. All pathway maps can be modified to fit the individual needs of students. All students are encouraged to meet with their student success advisor to develop an individualized completion plan that best meets their goals, interests, and objectives. Degree requirements and prerequisite information can be found here: <https://www.mcckc.edu/programs/aa/>

Please note:

- Courses may require a prerequisite or appropriate placement, see the [Academic Catalog](#) for additional information.
- Natural Science courses must be chosen from two different disciplines including at least one course with a lab
- Only 3 credits for performance classes can be used for Humanities & Fine Arts
