Associate in Arts (A.A.)

Studio Art – Part-Time Advising Guide

The mission of the Metropolitan Community College Art Program is to develop students' visual literacy and awareness that art is practiced in a variety of forms within different cultures. Our curriculum provides students with a strong foundation in the research, interpretive, and technical skills needed to make and study meaningful works of art while preparing them for continued practice in their field or for articulation to a Bachelor's Degree program.

Academic & Career **PATHWAYS**

**The A.A. in Studio Art requires a minimum of 60 total credits to graduate. When selecting a course from multiple options, please consider the number of credits for each course to ensure meeting the minimum requirements for graduation.*

This Pathway Map is an advising tool designed for full-time/part-time students and identifies the course recommendations for timely degree completion. All pathway maps can be modified to fit the individual needs of students. All students are encouraged to meet with their academic advisor to develop an individualized completion plan that best meets their goals, interests, and objectives. Degree requirements and prerequisite information can be found here: [Studio Art](#)

Please note:

- Courses may require a prerequisite or appropriate placement, see the [Academic Catalog](#) for additional information.
- Natural Science courses must be chosen from two different disciplines including at least one course with a lab.
- Only 3 credits for performance classes can be used for Humanities & Fine Arts.
