

SPOTLIGHT ON SUPPLIER DIVERSITY

Company: Exhibit Associates

Years in Business: 44 years

Owner: Amy Jalbert

Classification: Women Business Enterprise National Council (WBENC), State of Missouri Women Owned Business Enterprise (WBE)

Description: Specializing in tradeshow booths, corporate displays, museum exhibits, design, and signage, we create spaces and environments that your customers will remember. Craftmanship, collaboration, and the combined power of design and technology are contained in the people and the processes we use to turn your vision into reality. Our team of designers and fabricators execute on your strategy to produce end results your team will use as a business development tool. It's your vision, and we create it.

Contract work with MCC: Exhibit Associates has been working with the MCC Team since 2017 on projects from office signage, table throws and wall & window graphics of all shapes and sizes – Amy and her team are familiar with all five campuses of MCC, with a continuing Master Service Agreement.
