

Dental Assisting Program Observation sessions

- Program applicants must complete a mandatory In-class or In-lab observation.
- Observation opportunities are available 8:00am -4:30pm on weekdays only.
- Observations must be within the past six months of the application deadline Feb 15th.
- The Dental Assisting program does not hold completed observation session forms that are older than 6 months.
- Expectations:
 - We expect you to attend an hour long of either a lecture (In-class) or a lab course (In-lab).
 - Complete and Submit the Observation form (Will be provided to you when you attend the session by the course instructor)

** If you have questions about observation session and to confirm observation date and time, email Hema.Udupa@mcckc.edu.*
