

**Metropolitan Community College-Penn Valley-HSI
Physical Therapist Assistant Program
Clinical Instructor Rights and Privileges**

Center Coordinator of Clinical Education (CCCE) and Clinical Instructors (CI) are considered clinical faculty. The clinical faculty has the following rights and privileges:

1. Receive information regarding the academic and clinical education program and effective clinical instruction.
2. Receive information regarding students assigned to their facility.
3. Right to request assistance from the school in developing skill as a clinical instructor and mediating clinical situations as they arise.
5. Utilize physical therapy classrooms and labs.
4. Access to MCC-Penn Valley-HSI's Learning Resource Center and the program's media.
5. Audit physical therapy classes.
6. Attend continuing education courses at free of charge or at a nominal fee.
7. Serve on MCC-PV-HSI Physical Therapist Assistant Committees.
