

# PROGRAM OVERVIEW

MCC-Penn Valley Jump Start Summer Bridge Program in partnership with TRIO-Student Support Services is a college readiness program designed to support incoming first-year students, increase college success skills, and make connections with peers, faculty, and staff.

After program completion participants will be prepared to be successful inside and outside of the classroom.

## PROGRAM BENEFITS

- Cohort-model designed to increase success
- Free 1-Credit hour course (career exploration seminar) and materials
- Individualized support services
- Free Math & English Boot Camp
- Group and individual tutoring support
- Lunch provided (twice a week)
- Access to life and academic skill workshops
- Introduction to campus resources
