5. **Log in.** Input the User ID and Password sent by the Virtual Hospital staff via email.
6. Select “Create a New Communication Form”

7. Complete each appropriate field per your scenario needs. The asterisk (*) indicates required fields.
8. At the bottom of each page of the communication form, please note the Save and Next >> buttons. After completing each page, select “Save” to save the data entered and then “Next” to proceed to the next page.

9. As you proceed through the communication form, please note the <<Previous button. Use this button to go back and edit or add any data on the previous pages.
10. At the end of the communication form, there is an option to upload files. Please attach any additional files as needed per scenario. Select the **Upload Files** button to begin this process.

11. Select **Browse...** to add the appropriate files. After selecting the files, select the **Upload File(s)** button.
12. Select “close window” to complete the uploading files process.

13. Select Save to view the uploaded files.
14. Select **Finish** to complete the communication form process.

15. Select “**Make a lab reservation**” to proceed reserving timeslots.
16. Select the appropriate communication form for the timeslots you will be reserving.

There is a feature which allows you to remove a communication form from your Communication Tool Records. Select “Disable” next to the communication form you would like removed from your list. Be sure you select the correct one you want discarded. Once its removed you cannot get it back. If the wrong communication form was deleted on accident, contact the Program Specialist for assistance.
**Please note the description of each lab, located above the calendar**

17. For each month, you can complete one form for all dates in which you will be doing the same scenario.

18. Complete a separate reservation for each month or each different simulation/scenario.

19. After selecting the desired time slots, select “Continue” located below the calendar.
20. Complete the form with appropriate responses according to your needs.

21. Submit the form by selecting the “Submit Reservation Request” box located at the end of the page.
1. Select “Make another lab reservation” to reserve timeslots for a different month but with the same scenario.
2. Select “Create a New Communication Form” to begin the reservation process with a different scenario.
3. Select “Edit an existing communication form” to add or revise any information on your communication forms.
4. Select “I’m done” when you are finished with the reservation process.

Your request will be sent to the Virtual Hospital email account.
An automated response, confirming your request, will be sent to your email account.
TO CANCEL A REQUEST:

1. Go to the Virtual Hospital website, scroll down to, “**Scheduling the Virtual Hospital Facility**”, and select: “**Cancellation Request (include your session dates and times in your message)**”
2. An email will appear. Within this email, please inform the Virtual Hospital staff of all cancellations, including name, dates and times.

3. After inputting all appropriate cancellation information, “Send” the email.
