Stationary Engineering	Technical Specialty
Welding Technology and Management	Technical Specialty

This data is based on a review of Metropolitan Community College (MCC) courses by DeVry University as of 6/6/2013 and is subject to review and modification at any time and without prior notice.

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry University an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript from Metropolitan Community College, nor may it exceed the number of credit hours assigned in the corresponding DeVry University course.
- Curriculum changes at either DeVry University or Metropolitan Community College may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

THE PROVISIONS OF THIS TRANSFER GUIDE DO NOT CONSTITUTE A CONTRACT, EXPRESSED OR IMPLIED, BETWEEN ANY APPLICANT OR STUDENT AND DEVRY UNIVERSITY. THE INFORMATION CONTAINED HEREIN IS NEITHER AN AWARD NOR A COMMITMENT TO AWARD CREDIT AT DEVRY UNIVERSITY.

DeVry University operates as DeVry Institute of Technology in Calgary, Alberta. In New York State, DeVry University operates as DeVry College of New York.
