Articulation Agreement
between
The Metropolitan Community Colleges
and
William Jewell College

Overview:

This formal program articulation agreement is made and entered into by William Jewell College, hereinafter referred to as WJC or Jewell, and the Junior College District of Metropolitan Kansas City, Missouri, hereinafter referred to as MCC. By this agreement MCC and WJC express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures that assure articulation between programs, the institutions seek to assist in making a seamless transfer from the associate to the baccalaureate degree.

Purpose:

This agreement provides students who have earned an Associate in Arts degree at MCC the opportunity to complete a Bachelor of Arts Degree in History at WJC. Any Metropolitan Community College student who has earned an Associate in Arts degree is guaranteed that WJC will accept designated freshman and sophomore credits and general education credits and will apply such to the Bachelor of Arts degree in History, at WJC in a manner consistent with the treatment of other transfer students.

Conditions of Transfer:

Section I: Admissions and Matriculation

MCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as WJC students enrolled under a specific catalog.

Criteria for acceptance into WJC of transfer students from MCC is based upon their past academic performance and the admissions requirements in effect at the time of the application to WJC.

MCC, upon request of students, will provide verification of completed courses to the Office of Admission at WJC. The transcripts of students transferring to Jewell from MCC will be evaluated by the Office of Admission and the Office of the Registrar at WJC.

Minimum grade standards for academic progress and graduation from MCC will be subject to no further review by WJC.

WJC will apply the same academic progress and graduation standards to MCC transfer students as those applicable to other students transferring to WJC.

October 2015
Section II: Transfer of Credit

Transfer students from MCC who have completed the Associate in Arts degree will, upon acceptance at WJC, have junior standing at Jewell.

A maximum of 64 hours of credit from MCC (or other two-year institutions) can be applied toward the minimum of 124 hours needed for graduation from WJC. If more than 64 hours of credit are transferable, then the minimum credit needed for the Bachelor's degree from Jewell will be increased.
