

## **Academic Success Tips from the Learning Center:**

- Attend every class.
- Be on time.
- If you arrive late, take a seat quietly without disrupting the class.
- Let your instructor know if you must miss class.
- Read and keep track of the syllabus.
- Take notes in class.
- Review your notes every day after class.
- Do your assignments and turn them in on time.
- Begin papers/projects when the instructor assigns them.
- Read the assigned chapter before class.
- Utilize the Student Success Center before you have a problem in class.
- Get to know your classmates and form study groups.
- Take a realistic course load.
- Participate in campus activities.
- Eat healthy and get plenty of sleep.
