

Pathways **Adult Literacy Assistance**

Free intensive training on fundamental skills needed for college success in Reading, English, and Math. Develop skills that are critical for college success including; increasing career path confidence, career path opportunities, using campus resources, forming connections with instructors and fellow students.

Why:

- Potential savings of time and money due to free individualized instruction
- Additional assistance (e.g., Advising, Counseling) and support at no additional cost
- Opportunity to re-take the Accuplacer Test for free and potentially place into higher-level college courses, saving money and accelerating progress toward degree completion

Presented by

Literacy KC
Changing lives beyond words

Students will receive:

- Targeted learning methods that accelerate progress by utilizing students' strengths
- Access to MCC Student Services (Counseling, Advising, Library)
- Upon completion of the program, transition assistance to future college courses at MCC
